WHAT WE CAN DO FOR YOU

As the **international market leader** in modern interim management, with over 31 offices worldwide, we provide flexible and tailored solutions—no matter where you are located

Problem-solver for challenges faced by national and international clients

Together with our clients, **we identify challenges in their businesses** and propose **initial solutions** (as Trusted Advisors)

Clients **receive tailored solutions/industry experts** identified from our qualified community **within just a few days**

Interim projects are implemented with a **structured approach**: analysis, action planning, implementation, and steering

All projects are intensively supported **by our partners**, who have extensive industry and management experience, **ensuring successful execution**

Fast and risk-free placement of **permanent employees from our own community** of qualified, **reference-checked experts** – nationally and internationally. Success-based compensation

PRECISE SOLUTIONS

GUARANTEED LONG-TERM AND POSITIVE
IMPACT ON YOUR
BUSINESS

„ONE FIRM“ CONCEPT

Uniform standards worldwide for requests and proposal processing—without profit-center structures. Clients always receive the **most suitable partner** for their challenges. Over 36% of assignments are cross-border.

EXPERIENCE

Over **12,000 successful projects** globally. Comprehensive expertise and industry knowledge of EIM partners across all industries and consultancy segments. More than **400 years of management experience** of EIM partners.

SUCCESS STORY

Over 98% of our EIM mandates achieve **their goals** on time, with quality, and within budget. As a result, **42% of our mandates** are extended to cover additional topics.

EIM SWITZERLAND PARTNER

EIM DELIVERS BUSINESS BREAKTHROUGH DIFFERENTLY.

We connect experienced senior interim executives from our exclusive community of qualified specialists and leaders.

We consistently strive to provide fast solutions, transformations, and exceptional results for clients worldwide.
